Would you be free for a quick call today? As part of this effort, (b)3 asked us to add access to our data through (b)3 I just wanted to understand how (b)3 is postured in (b)3 now, and understand your expansion plans.

I have some free time in the afternoon my time today and Friday. Would like to chat today if possible—wanted to get something back to (b)3 by COB.

Thanks,

We can do Tuesday 1030-1100 PST but if possible Wednesday 1030-1100 PST would be preferred if that would work for everyone.

Thanks!

Team (b)6 ,

Great to e-meet. Is there any chance we could connect tomorrow for 30 minutes to discuss (b)3
Please let me know if any timeframes between 1200-1400 EST can work for you, and thank you for your time in advance!

If we can chat tomorrow it would be very helpful (I'll establish the teleconference line).

Thanks again!

v/r
